

Litigation Fellowship Programme

12-Month Paid Fellowship for Litigation Lawyers

Delhi | Bengaluru | Law Graduates | Assessment-Based Progression

APPLY BY
15th June 2026

PROGRAMME STARTS
7th August 2026

12-Month Programme Structure

**MODULE 1 | MONTHS
1-3**

Litigation Fundamentals & Courtroom Orientation

Lay the groundwork for a litigation practice with an immersive introduction to civil procedure, court hierarchies, filing protocols, and courtroom dynamics. Fellows will accompany senior lawyers to hearings and complete guided drafting exercises.

**MODULE 2 | MONTHS
4-6**

Drafting & Procedural Mastery

Develop precision in legal drafting — complaints, written statements, applications, and appeals. Fellows will gain command over procedural rules under the Civil Procedure Code, Commercial Courts Act, and the Arbitration and Conciliation Act.

**MODULE 3 | MONTHS
7-9**

Research, Oral Advocacy & Client Communication

Master the craft of persuasive legal research and oral presentation. This module focuses on structuring legal arguments, effective brief writing, preparing for court appearances, and communicating with clients under supervision.

**MODULE 4 | MONTHS
10-12**

Advanced Advocacy & Trial Skills

Deepen practical skills in cross-examination, trial strategy, and evidence management. Fellows will work on live matters with close partner supervision and conclude the programme with an assessed moot exercise before a panel of senior advocates.

Who Should Apply?

Fresh law graduates or lawyers with up to one year of litigation experience who are passionate, driven, and ready to launch a high-impact legal career with one of India's leading law firms.

Your journey in litigation begins here.
